

NAVY

Verse 1:

Are you just good at making plans
holding hands?
I, see
I'm really good at "make amends"
being in my head
believe...

Pre:

You asked me to sit down on your couch
I asked you "Marvel or DC?"
I promised I so far wouldn't bring him up, but
you could see in my eyes its what I need

Chorus:

Navy
Navy
I hope you think about me
I hope you think about me

Verse 2:

You've spent some time down the aisle
You've had your trials
I, see
Well, I'm always one trying to cut through noise
Picking up your toys
believe...

Pre:

You kissed my lips
I shed a tear
Could not pinpoint joy or fear
I promised I would not bring my hurt up
You could see in my eyes its what I need

Chorus:

Navy

Navy

I hope you think about me

I hope you think about me

Navy

Navy

I hope I'm on your mind

Ending:

Navy

Navy

Navy

Navy, Oh

Navy

Navy

Navy

Hope is a dangerous thing

and I wanted some so bad

hope is a dangerous thing for a guy like me

hope is a dangerous thing for a guy like me

and I want it so bad

and I want it so bad, yeah

hope is a dangerous thing for a guy like me

hope is a dangerous thing for a guy like me

and I wanted some so bad

and I wanted some so bad

hope is a dangerous thing for someone like me

hope is a dangerous thing for someone like me

and I wanted some so bad

and I wanted some so bad

So, oooh, bad
So, oooh
