

## WHEN MY MORNING COMES

**Em7 Dsus2/F# Em C**  
When everything is gone and all is broken  
**Em7 Dsus2/F#**  
All I have left is a whisper  
**Em C**  
A whisper of hope  
**Em7 Dsus2/F# Em C**  
Voices surround me, but I can't keep focused to find the answer  
**Em7 Dsus2/F#**  
Where is my rescue?  
**Em C**  
Is it already here?

**Em G**  
Just direct me to more  
**Dsus2/F#**  
To tomorrow

To joy

To the morning

**Em G Dsus2/F#**  
Oh, oh, oh, oh, oh (2x)  
**Dsus2/F# G**

**Em G**  
Give me a second chance to save me  
**Dsus2/F#**  
Spin me around to find direction  
**Em G**  
I can't take more of this darkness  
**Dsus2/F#**  
Oh, oh, oh

**G**  
Reckless and tired  
**Em G**  
Just wanna know what it's like...  
**Dsus2/F#**  
When my morning comes...

**Em7 Dsus2/F#**  
I sit still as they pass us by  
**Em C**  
They know, but it's time that I learn on my own  
**Em7 Dsus2/F#**  
On my own  
**Em C**  
On my own  
**Em7 Dsus2/F#**

I don't wanna make the same mistakes

**Em**

Don't let this be it

**C**

Not as good as it gets

**Em7 Dsus2/F#**

No...

**Em C**

No...

**Em G**

Just direct me to more

**Dsus2/F#**

To tomorrow

To joy

To the morning
