BREATH OF NOWHERE

Esus2
Give me a moment
C#m7
Show me your answer
F#m   Esus/G# Asus2
Of how you run so fast and never get tired
Esus2
Show me your heartbeat
C#m7   F#m Esus/G# Asus2   Bsus2
I wanna feel your heartbeat and put it   in   sync with mine

              Esus2/C#
'Cause it's getting louder and louder here
Esus2/A
I barely have the room
F#m Esus/G# Asus2 Bsus2
I can't feel this going anywhere
              Esus2/C#   Esus2/A
I know that I'm running all out of time 'fore I have to make a move,
 F#m   Esus/G#   Asus2
So show me your getaway
Bsus2
Let me use your getaway

Esus2
Breath of nowhere
C#m7
Is better than somewhere
F#m Esus/G# Asus2 Bsus2
I'd do anything to escape with you
Esus2
Breath of nowhere
C#m7
Is better than right here
F#m Esus/G# Asus2 Esus2
I'd do anything to escape with you

C#m7 F#m Esus/G# Asus2
You, you, you

Esus2
What will they take from me?
C#m7   F#m Esus/G# Asus2
When no one seems to ever wanna go home
              Esus2
When all I can feel is the fall
              C#m7
When everyone around me's taking off
        F#m Esus/G# Asus2

While I wade in the questions
       Bsus2
While I wade in the questions

         Esus2/C#
'Cause it's getting louder and louder here
Esus2/A
I barely have the room
F#m Esus/G# Asus2 Bsus2

Esus2
There's no running from this anymore
C#m7   **F#m Esus/G# Asus2 Bsus2**
No hiding from this anymore…

F#m Esus/G# Asus2
I've gotta face it
