PORT HOPE

This contemplative and often thrilling quartet's explorations of modern, original repertoire is led by a fast-rising star in Toronto's jazz piano community, 25 year old NICK MACLEAN. Formed in 2016, Maclean's foursome delivers jazz between the two poles of thoughtful introspection and powerhouse conveyance, taking influences from Herbie Hancock's primordial 1960's Blue Note era recordings, while paying tribute to some of the greatest improvisers in jazz history. Produced by Brownman Ali, the quartet's debut 11-track full-length album "Rites Of Ascension" is now internationally available on BrownTasauras Records.
