

SAT-JAN-20 - Toronto Jazz Fest
BROWNMEN ELECTRYC TRIO
Set 1: PANTHALASSA (Miles Davis)
Set 2: GRAVITATION (Electryc Trio)

This special TD Toronto jazz festival will first feature a set of the trio investigating Miles Davis' electric period from 1969-1974 as documented by the release "Panthalassa", as one continuous 60 min + piece of music! Then, after a break, they will turn to tunes from the newest CD "Gravitation", which reached number 4 on the iTunes USA jazz charts upon it's release and was called "the new standard in electric-jazz" by Grammy winning trumpet player Randy Brecker.

ABOUT ELECTRYC TRIO: Fronted by the iconic Trinidadian-born, multi-award winning trumpeter BROWNMEN (best known for his work with hip-hop legends Guru's Jazzmatazz & rapper Jay-z), this high-octane modern electric-jazz trio has won a National Jazz Award, a Socan composition award & a Toronto Independent Music Award amidst a long list of accolades.
