GRUVASYLUM

Improvisation...
Spontaneous creation...
The essence of the jazz solo is not so different from the essence of freestyle.
GRUVASYLUM is hip-hop with a jazz ideology.
100% improvised urban grooves, yet rooted in jazz lineage.
Place these tenements in the hands of award-winning musicians and a berserker freestyle rapper...
and watch the walls burn down

Brownman & GRUVASYLUM

Hip-hop with a jazz ideology

"Brownman's powerful groove-jazz collective - GRUVASYLUM - is quickly become one of the most distinctive urban sounds in Canada" - CIUT radio
"After 4 years of world tours standing next to hip-hop legend GURU (of Gangstarr fame), Brownman continues to extend the jazz-hip-hop legacy Guru began" - Toronto Star
"Award-winning trumpet player from GURU's JAZZMATAZZ continues Guru's jazz-hip-hop legacy brilliantly" - Boston Phoenix
