Celebrate Valentine's Day in culinary style at Toronto's stylish Zemra Lounge with a world-class jazz quartet. Choose from a variety of succulent dinner options to accompany a feature concert by the BROWNMANN LOVE QUARTET, dedicated to jazz romance on this special evening. Recently touring with Paul Simon & widely known for his bombastic and energized playing style, this is an opportunity to see the softer side of Brownman Ali's abilities this Valentine's Day, as he leads an all-star quartet through some of the most delicious love-standards in jazz history, playing only tunes with the word "love" in it's title and emphasizing his dark-toned flugelhorn skills. Expect to hear Cole Porter's "Love for Sale" & "I Love You", Jimmy Davis' "Lover Man", Isham Jones' "There Is No Greater Love" and Jimmy Van Heusen's "Like Someone In Love" amongst a long list of classics.
