Widely regarded as a vanguard for the evolution of Jazz in Canada, Toronto's own BROWNTASOURAS RECORDS presents three of its most dynamic and explosive electric-jazz ensembles: BROWNMAN ELECTRYC TRIO, SNAGGLE & MODUS FACTOR for an evening of intensely funkified music. The label, formed in 2009 by acclaimed jazz trumpet player BROWNMAN ALI, is now home to a myriad of envelope pushing band-leaders. From the improvisational bedlam of MODUS FACTOR, to the highly diverse compositional odysseys of SNAGGLE, to the visceral power of the BROWNMAN ELECTRYC TRIO, Browntasauras Presents: showcases each ensemble's unique sounds. As an added bonus, throughout the night Browntasauras musicians will hop between bands creating augmented versions of the original ensembles. All Browntasauras Records products will be on sale at reduced rates for this special show.
