Acclaimed Cuban drummer/percussionist Joaquin Nunez Hidalgo's new project HAVANA SAFARI takes listeners on a journey through the evolution of the Cuban music from its original forms in the late 1800s through to what Cuban music is today, drawing on influences from Latin America and the Caribbean's sound and rhythms. This ensemble features 2x National Jazz Award winner & trumpet iconoclast Brownman Ali; highly in-demand Mexican bassist Paco Luviano, and rising star pianist Nick Maclean. This is one Latin jungle jazz safari you won't want to miss!
