The multi-award-winning NICK MACLEAN QUARTET feat. BROWNMEN ALI embarks on their ambitious 2-month long national tour across Canada, bringing them from their hometown of Toronto all the way to the Pacific coast and everywhere in between. Led by fast-rising piano star NICK MACLEAN -- an 8x Global Music Award winner, a graduate of the University of Toronto & Humber College, and one of the most in-demand young jazz piano players in Toronto -- this contemplative yet thrilling quartet delivers jazz between the two poles of thoughtful introspection and powerhouse conveyance, taking influences from Herbie Hancock's primordial 1960's Blue Note era recordings, while paying tribute to some of the greatest improvisers in jazz history. Maclean's quartet heavily features one of Canada's most provocative improvising trumpet players: BROWNMEN ALI, who currently splits his time between Brooklyn, NY & Toronto, Canada; is a 2x National Jazz Award winner & internationally acclaimed jazz iconoclast; and has been heralded as "Canada's preminent jazz trumpet player" by New York City's Village Voice. He is best known internationally as the last trumpet player with legendary jazz-hip-hop group GURU's JAZZMATAZZ. Ali & Maclean stand shoulder-to-shoulder with 2 of Toronto's top-tier 20-somethings: BENNETT YOUNG (in for BEN DUFF) on upright bass, and JACOB WUTZKE on drums.

"Fresh and youthfully joyful... key to the sound of Nick Maclean's quartet is the gloriously expressive trumpeter Brownman Ali"

- Hobart Taylor, KUCI 88.9FM (California, USA)
